Dear Sir:

We have two copies of Federal Notice of Intention to Drill for a well located in the Northeast quarter of S.25,T.32N-R.17W. The Notice of Intention to Drill refers to this well as the "Superior-Ute-Navajo #1" and the form C-128 refers to it as the "Navajo-Ute-Tribal #1". Our statistical section arranges all wells alphabetically and it will therefore be necessary that the lease name be very specific and always referred to in the same manner on all future reports.

Will you please advise us which of the lease names you wish to use.

Yours truly,

Emery C. Arnold
District Supervisor
