DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This well was originally drilled by Southern Union Gas Company as the Barber Dome No. 19. El Paso Natural Gas Company has taken over the operations of this well with name changed to the El Paso Natural Gas Company Barber Dome No. 19.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company El Paso Natural Gas Company

Address Box 997

Farmington, New Mexico
