Re: Ute Mountain Lease
I-22-Ind-2772

Dear Sir:

The following is an account of this week's drilling progress on our Indian Land leases:

Ute Mountain Lease, I-22-Ind-2772, Ute No. 6

Drilled from 8170' to 8794' in lime. No other activity on this well during this period. Well now drilling ahead.

Thank you.

Yours very truly,

E. J. Coal
