Re: Ute Mountain Lease
I-22-Ind-2772

Dear Sir:

The following is an account of this week's drilling progress on our Indian Land Leases:

Ute Mountain Lease, I-22-Ind-2772, Ute #6:

Drilled cement plug and now drilling at 8610' in line. Hole is apparently straightened.

Thank you.

Yours very truly,

E. J. Coel
Petroleum Engineer
