(NOTE: Report results of multiple completion on Well  
Completion or Recompletion Report and Log form.)

17. DETAILS OF PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

It is our plan to form a water flood unit in this field with the Navajo #4 well to be used as a water injection well.

The #4 makes no water or gas and was making less than 1 BPD when it was shut in.

It is hoped that the work can begin within 6 months. If not, then we plan temporary abandonment procedure.
