Gentlemen:

Form C-110 and Federal Well Record form have been filed in this office by the Harlan Drilling Company indicating that your company is assuming operation of a well known as their #1 Navajo.

Our original information on this well indicated that it is located 685 feet from the East line and 1700 feet from the North line of Section 15, Township 32N, Range 18W. Information which you have filed indicates the well is located 850 feet from the East line and 1700 from the North line. Please verify which is the correct location.

Also, we will be unable to approve Form C-110 for this well until Form C-104, Request for Allowable, and a tabulation of deviation survey have been received and approved.

Yours very truly

*Emery C. Arnold
Supervisor, District #3*
