17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

A second approval is requested to retain this well in its present temporarily abandoned status. A proposal has been made to convert the subject well to a water disposal well to take care of produced water on the Ute lease. This proposal was made contingent upon getting all or some of the other wells on the lease back on production. An effort is being made to do this at the present time.
