Re: Aztec Oil & Gas Company
Culpepper Martin #5
M-22-32N-12W
Blanco-Mesaverde Pool

Dear Mr. Salmon:

The attached form C-122-A for the captioned well reflects corrections to indicate the test to be the 1967 annual deliverability test

We find the well did not produce into the pipeline after remedial action until 1967.

Yours very truly,

A. R. Kendrick
Engineer, District #3
