1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the policy of the new administration. The President states that he is committed to the principles of liberty and justice for all, and that he will work to maintain the Union.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 1, 1861. It provides a detailed account of the financial state of the country at the time. The report shows that the government is in a sound financial position, with a surplus of funds. It also discusses the various measures that have been taken to improve the economy.

3. The third part of the document is a report from the Secretary of the Interior, dated January 1, 1861. It provides a detailed account of the state of the western territories. The report shows that the government is making progress in settling the land, and that the economy of the territories is improving. It also discusses the various measures that have been taken to improve the infrastructure of the territories.

4. The fourth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It provides a detailed account of the state of the navy. The report shows that the navy is in a sound financial position, with a surplus of funds. It also discusses the various measures that have been taken to improve the navy.

5. The fifth part of the document is a report from the Secretary of the War, dated January 1, 1861. It provides a detailed account of the state of the army. The report shows that the army is in a sound financial position, with a surplus of funds. It also discusses the various measures that have been taken to improve the army.
