1. Outline the acreage dedicated to the subject well by number, name of owner, and mark on the plat below
2. If more than one lease is recorded to the well, list the owner and acreage (both as to working interest and royalty).
3. If more than one lease of different ownership is recorded to the well, have the interest in the well consolidated by communization, unitization, force pooling, etc.
4. Yes ☐ No ☐ If answer is yes, type of consolidation

If answer is "no" list the owners and tract description which have actually consolidated in the previous record of this form, if necessary.

No allowable will be assigned to the well until all interests have been consolidated by communization, unitization, force pooling, or otherwise, or until a non standard unit, eliminating such interests, has been approved by the Commission.
