Re: La Plata Mancos Unit #4, N 31-32N-13W, API# 30-045-20356

Dear Al:

Regarding your letter dated November 30, 1998. We have reviewed the information you provided and found our estimate of the spill to be considerably larger. Therefore we request you submit the information required by Rule 116. Form C-141 is attached.

When you have completed the installation of the gate and have locked it, please provide the Aztec OCD office with 6 keys. It would be unreasonable for an inspector to make a special trip to your office if they happen to be in the area and need to inspect the well site.

Feel free to call me at 334-6178, ext 16, if I can be of any help.

Sincerely,

Charlie T. Perrin  
Deputy Oil & Gas Inspector
