1. Outline the acreage dedicated to the subject well by colored pencil or machine marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners consolidated by communitization, unitization, forced pooling, etc?

Yes No If answer is "yes," type of consolidation.

If answer is "no," list the owners and tract descriptions which have actually been consolidated (if so, outside of this form if necessary).

No allowable will be assigned to the well until all interests have been consolidated by communitization, unitization, forced pooling, or other way set out until a non-standard unit, eliminating such interests, has been approved by the Commission.
