12. Other Information

This location on Federal lease under jurisdiction of Bureau of Land Management. Benson-Montin-Greer representatives, Mr. M.L. Seelinger, United States Geological Survey Engineer, and Mr. Jon Weddle, Bureau of Land Management Natural Resource Specialist, visited area and viewed locations and access roads to locations on May 24, 1974. Verbal approval was granted Benson-Montin-Greer representatives to commence surface dirt work on location and that portion of road on Bureau of Land Management land.

Additional access road located on Ute Mountain Indian Reservation. On May 27, 1974, an aerial survey of this segment of road was made by Benson-Montin-Greer representatives and Mr. Hal Rogers, Realty Officer, Ute Mountain Tribal Indian Reservation. Verbal approval was granted Benson-Montin-Greer representatives to commence surface dirt work on this segment of access road.
