1. *Journal of the American Medical Association*, 1997; 277: 1033-1037.

On which will be found a
round wooden button
in the base of a piece and
also a small metal part
which corresponds to the last
of the above parts.

It is noted no book was visited in the library. It is to be noted that the library is located in a small room and the collection is limited.
