Re: Horton 12, M-27-32-12W, API 30-045-24518

Dear Tim:

I reviewed the well file and the information you provided for the above listed well. This was discussed with Steve Mason at the BLM. We believe the report is a intent and the work was not done.

In order to comply with Rule 108, prevent waste and protect fresh water, you are hereby directed to initiate remedial activity before May 1, 2000.

Review the Rules for the necessary filing requirements. Notify the Aztec OCD 24 hours before work is initiated.

Feel free to call me at 334-6178, ext. 16, if I can be of any help.

Sincerely,

Charlie T. Perrin
Deputy O&G Inspector
