Dear Mr. Ramey:

Southland Royalty Company hereby requests approval of an unorthodox well location for the Day State #2E well. The proposed location is 1930' FNL & 1230' FEL, Section 32, T32N, R11W, San Juan County, New Mexico.

The unorthodox site is due to topography.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to authority of Rule 104-F, we respectfully request your approval of an exemption to the standard well location requirement.
