Gentlemen:

Burlington Resources Oil and Gas Co. is operator of Communitization Agreement (CA) NM-80127, which covers the Fruitland Coal formation in the N/2 of Section 15, T.32N., R.12W. and includes portions of lease NMSF-078312. By letter dated November 4, 1996, Burlington was required to demonstrate that the well committed to this CA, the No. 102 Hubbard Com., located on Fee land, was capable of producing in paying quantities. You indicated that the well would be plugged. Therefore, CA NM-80127 is terminated, effective February 1, 1997.

If you have any questions concerning this matter, please call Geneva McDougall at (505) 599-6355.

Sincerely

/s/ Duane W. Spencer
