Texasoma Oil & Gas Corp.  
One Lincoln Centre  
5400 LBJ Freeway, Suite 500  
Dallas, Texas 75240

Dear Ms. Amrich:

Enclosed is one approved copy of Communitization Agreement (CA) NMNM 95703, involving 160.00 acres of Federal land in lease NMNM-94574, and 160.00 acres of Fee land in San Juan County, New Mexico. This acreage comprises a 320.00 acre spacing unit for the La Plata 33 No. 2 well on Fee land.

The agreement communitizes all rights as to natural gas and associated liquid hydrocarbons producible from the Fruitland Coal Formation in the NE4 of Section 33, T. 32 N., R. 13 W., NMPM, and is effective August 30, 1995. You are requested to furnish all interested principals with appropriate evidence of this approval.

If you have any questions, please contact Geneva McDougall at the above address or telephone (505) 599-6355.

If this well is producing, this approval requires the submission of a Payor Information Form MMS-4025 to the Minerals Management Service (MMS) within 30 days (30 CFR 210.51). Please notify the designated payor or payors (purchasers, working interest owners, or others) as soon as possible regarding this requirement. Any production royalties that are due must be reported and paid within 90 days of the Bureau of Land Management's approval date or the payors will be assessed interest for late payment under the Federal Oil and Gas Royalty Management Act of 1982 (30 CFR 218.54). If you need assistance or clarification, please contact the Minerals Management Service at 1-800-525-9167 or 303-231-3504.

Sincerely,

A handwritten signature in dark ink, appearing to read "Duane W. Spencer".

## DETERMINATION - APPROVAL - CERTIFICATION

Pursuant to the authority vested in the Secretary of the Interior, under Section 17(j) of the Mineral Leasing Act of 1920, as amended (74 Stat. 784; 30 U.S.C. 226(j)), and delegated to the Authorized Officer, of the Bureau of Land Management, I do hereby:

- A. Determine that the Federal lease or leases as to the lands committed to the attached agreement cannot be independently developed and operated in conformity with the well-spacing program established for the field or area in which said lands are located, and that consummation and approval of the agreement will be in the public interest.
- B. Approve the attached communitization agreement covering the: E4, Section 33, T. 32. N., R. 13 W., San Juan County, New Mexico, as to natural gas and associated liquid hydrocarbons producible from the Fruitland Coal formation. This approval will become invalid *ab initio* by the Authorized Officer should the public interest requirements under section 3105.2-3(e) not be met.
- C. Certify and determine that the drilling, producing, rental, minimum royalty and royalty requirements of the Federal lease or leases committed to said agreement are hereby established, altered, changed, or revoked to conform with the terms and conditions of the agreement.
- D. Approval of this agreement does not warrant or certify that the applicant and other working interest owners thereof hold legal or equitable title to the leases which are committed hereto.

Approved: March 1, 1996

  
Duane W. Spencer  
Team Leader, Petroleum Management Team

Effective: August 30, 1995
