1. The first thing I noticed when I stepped out of the plane was the cold air. It was a sharp contrast to the warm air of the plane. I had heard that the weather was bad, but I didn't expect it to be so cold. I was told that the weather was bad, but I didn't expect it to be so cold. I was told that the weather was bad, but I didn't expect it to be so cold.

2. The second thing I noticed was the smell. It was a strange, musty smell that I had never smelled before. I had heard that the hotel was old, but I didn't expect it to smell like this. I had heard that the hotel was old, but I didn't expect it to smell like this. I had heard that the hotel was old, but I didn't expect it to smell like this.

3. The third thing I noticed was the noise. It was a loud, constant noise that I had never heard before. I had heard that the city was noisy, but I didn't expect it to be so loud. I had heard that the city was noisy, but I didn't expect it to be so loud. I had heard that the city was noisy, but I didn't expect it to be so loud.

4. The fourth thing I noticed was the people. They were all so different from the people I had seen at home. I had heard that the people were friendly, but I didn't expect them to be so different. I had heard that the people were friendly, but I didn't expect them to be so different. I had heard that the people were friendly, but I didn't expect them to be so different.

5. The fifth thing I noticed was the food. It was so different from the food I had eaten at home. I had heard that the food was good, but I didn't expect it to be so different. I had heard that the food was good, but I didn't expect it to be so different. I had heard that the food was good, but I didn't expect it to be so different.

6. The sixth thing I noticed was the culture. It was so different from the culture I had grown up in. I had heard that the culture was rich, but I didn't expect it to be so different. I had heard that the culture was rich, but I didn't expect it to be so different. I had heard that the culture was rich, but I didn't expect it to be so different.

7. The seventh thing I noticed was the language. It was so different from the language I had spoken at home. I had heard that the language was beautiful, but I didn't expect it to be so different. I had heard that the language was beautiful, but I didn't expect it to be so different. I had heard that the language was beautiful, but I didn't expect it to be so different.

8. The eighth thing I noticed was the architecture. It was so different from the architecture I had seen at home. I had heard that the architecture was beautiful, but I didn't expect it to be so different. I had heard that the architecture was beautiful, but I didn't expect it to be so different. I had heard that the architecture was beautiful, but I didn't expect it to be so different.

9. The ninth thing I noticed was the history. It was so different from the history I had learned at school. I had heard that the history was interesting, but I didn't expect it to be so different. I had heard that the history was interesting, but I didn't expect it to be so different. I had heard that the history was interesting, but I didn't expect it to be so different.

10. The tenth thing I noticed was the people. They were all so different from the people I had seen at home. I had heard that the people were friendly, but I didn't expect them to be so different. I had heard that the people were friendly, but I didn't expect them to be so different. I had heard that the people were friendly, but I didn't expect them to be so different.
