Attn: Mr. A. T. Sindel, Vice President

Dear Mr. Sindel:

We are returning Notice of Intention to Drill which you have filed on your #1 McCarty well located in the NW $\frac{1}{4}$ Section 14-31N-13W.

Will you please amend your casing program to indicate that a two-stage tool will be used and cement circulated across the Mesaverde Formation. This is necessary as this well is within one mile of the Blanco Mesaverde Pool boundary.

Yours very truly
