Gentlemen:

*We have received two copies of Federal Form 9-330, Well Log,
on your #1 Elliott well in Section 20-31N-13W, Basin Dakota
Pool. However this log did not list formation tops and we
need this information for our records.*

*Will you please supply us with tops on this well at your earliest
convenience, so that we may complete our files on this well.*

Yours very truly
