Dear Mr. McKinnon:

Before me is a letter dated Oct. 2, 1956, by A. L. Porter, Jr., of the N.M. Oil Conservation Commission to you concerning bond on the Spanish Bit Oil No. 2, Santa Fe-State, SE NE NE Sec. 35, T 17 N, R 8 W, McKinley Co., New Mexico.

Please be advised that the finances on that dry hole were handled by Mr. Bryan Johnson, Attorney, Simms Building, Albuquerque, New Mexico; with actual operations of the well having been handled by Mr. Fred Sganxini, now deceased. I was never connected with these financial operations, having only sat on the well to its unsuccessful completion. To my knowledge, the well was converted to a ranch water well.

Further correspondence, or copies of same, between you and the Commission should be addressed to Mr. Johnson.

Very truly yours,

SAW:fmw

Sherman A. Wengerd
