Dear Emery:

We have a letter dated January 16, 1957, from Western Insurors, Inc. inquiring again as to our progress in getting a final plugging report on the Spanish Bit Oil Company well. The last correspondence that we have concerning this matter is a copy of a letter from you to Mr. Bryan Johnson of Albuquerque which was received in this office on December 26, 1956.

Please advise as to whether or not you have received a reply from Mr. Johnson.

Yours very truly,

A. L. Porter, Jr.
