Dear Mr. Hershfield:

I have before me Form C-101 submitted by yourself for Spanish Bit Oil Company, Inc..

This is to advise that it will be necessary for the Spanish Bit Oil Company to submit a bond for this well. Our Chief Clerk tells me that you intend to drill the well under Transcontinental Oil Company's blanket bond, which is not permissible.

The name of the operator and the name of the principle on the bond must be the same and one company may not operate under another's bond.

Very truly yours,

STATE OF NEW MEXICO
