**Gentlemen:**

**Reference is made to your letter of December 4, 1956 relative to your efforts to secure cancellation of the Spanish Bit Oil Company bond.**

**Previous correspondence indicates that the only condition which has not been met by the operator is the filing of the final plugging report. The difficulty seems to be our inability to locate someone who can sign reports for the company.**

**On yesterday I turned the correspondence over to Mr. Arnold of our Aztec office who assured me that he would make every effort to get the final plugging report filed. When this has been done we will proceed with the matter of cancelling the bond.**

**Very truly yours,**
