Dear Bob:

Our files do not indicate that forms were filed changing ownership of the above well when Worldwide Petroleum Corp. took over the Seven Lakes Field. It was my understanding that all wells operated by Mesa Retailers were to be transferred. Will you please advise whose well this is?

I noted that Dan Nutter wrote you a letter a couple of weeks ago inquiring of your future plans in the Seven Lakes Pool. Have you made a decision yet?

I am sorry I didn't see you in Denver last week at the IOCC meeting. I did visit with Wayne and his wife briefly.

Best regards.

Yours very truly,
