Dear Emery:

Mesa Retailers, Inc.  
Sinclair #1  
330/N; 2310/E, 19-18N-10W

We have checked our files and we do not find where Worldwide Petroleum Corporation has any interest or any knowledge of the Mesa Retailers, Inc.-Sinclair #1, 330/N; 2310/E, 19-18N-10W.

With reference to the Seven Lakes Pool, we have no plans and are working with the Santa Fe Railroad on getting someone else to take over the property. We do not believe it is economical for us. We are basically stalling to see if we can find somebody to take the situation; however, if we are unsuccessful in doing this in the next couple months, we will plug and abandon the property.

I am sorry I missed you when you were in town at the IOCC meeting.

You and Al have been badgering me so much that I just can't take it. I am moving to Calgary next month with Worldwide Energy Company Ltd. and this will be out of your jurisdiction; however, I would be agreeable to having you visit me for fishing of which there are a few spots.

Yours very truly,

WORLDWIDE PETROLEUM CORPORATION
