Dear Mrs. Grier:

We have received the required five copies of your Notice of Intention to Drill your #6 Red Mountain well in the NE $\frac{1}{4}$ Section 29 Township 20N, Range 10W, McKinley County, New Mexico; also letter of approval of the unorthodox location by Mr. Macey. We will, however, have to have 3 copies of a surveyor's plat before we can approve the Form S-101, Notice of Intention to Drill. As soon as we receive the plats we will approve and distribute these forms.

Yours very truly,
