OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the _____

Southwestern Exploration Co. Penn Bldg. Co. Well No. 1 in SE NE NW
Company or Operator Lease
of Sec. 22, T. 28N, R. 2E, N. M. P. M., Wildcat Field.
Rio Arriba County.

FULL DETAILS OF PROPOSED PLAN OF WORK**FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION**

The actual drill site of the above test well has not been changed. However, the method of obtaining the proper description of the location has been altered due to township variations between Ranges 1 and 2 East. The description of well is by projecting New Mexico Survey north thru the unsurveyed area of the Tierra Amarilla Grant and imposing the section, township, and range.

The following description of SE NE NW of Section 22, Township 28N, and Range 2E should be used in place of the description reported on form c-102 as NW NWNE Sec. 10, Township 28N, Range 2E.

The Santa Fe Office of the New Mexico Oil Conservation Commission has been advised of this change.
