*Dear Jack:*

*We received a notice of plugging and abandoning on the above well on July 10, 1962, which notice was approved by this office. However Form C-105, Well Record Form, was never filed on the well.*

*We are enclosing a supply of Forms C-105. Will you please submit 5 copies on the above well so that we can close our files on this well.*

*Yours very truly*
