

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the DPL soon after completion of any newly-drilled or deepened well. It shall be accompanied by one copy of full electrical or geophysical log run on the well and a summary of all special tests conducted by either DPL or other testor. All depths reported shall be measured depth. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, from 10' through 20' shall be reported for each zone. The form is to be filed in quadruplicate except in state land where only copies are required (see Rule 1105).
