December 4, 1956

New Mexico Oil & Gas Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: Mr. A. L. Porter

Dear Sir:

We wish your approval to drill the following well:

The Superior Oil Company
Turner, Abraham, Olle-Government #1-28
700' FNL & 801' FWL
Section 28, T-25N, R-6W
Rio Arriba County, New Mexico

Due to the rugged topography of this quarter section, this is the only location in which a drilling rig can be placed, without tremendous expense.

The Superior Oil Company, as operator of the Canyon Largo Unit, operates all of the surrounding acreage.

Yours very truly,

THE SUPERIOR OIL COMPANY

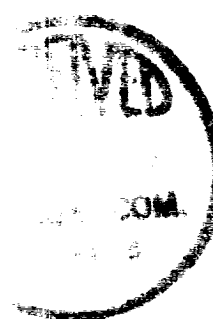

Wm. J. Mathis
Petroleum Engineer
