Dear Sir:

I have your letter of March 10, 1954 relative to the location of a well 4620' from the East line and 1600' from the North line of Section 20, Township 15 North, Range 1 East, Sandoval County, New Mexico.

Under authority granted to me by Rule 104 of the Commission and assuming that the north and west offset acreage belongs to Cosmo (leased), this will constitute your permission to drill and produce the unorthodox well as you have set it out in your letter.

A copy of this letter is being sent to the Aztec office, in whose district the location will be produced.

Very truly yours,

R. R. Spurrier
Secretary and Director
