Mr. Thomas A. Dugan  
Box 234  
Farmington, New Mexico 87401

Dear Mr. Dugan:

During a recent inspection of your No. 1 New Mexico Apache well, located in the SW $\frac{1}{4}$  sec. 21, T. 23 N., R. 5 W., Sandoval County, New Mexico, on Jicarilla lease Contract No. 198, I found that the weeds on the location are becoming a fire hazard. Also, a small waste oil pit near the well-head should be filled or the fence repaired.

Please see that these conditions are corrected.

Sincerely yours,

(Orig. Sgd.) J. W. LONG
