Attn: Mr. Richard S. Hunt

Dear Mr. Hunt:

We are sending you our file copies of three Federal Notices of Intention to Drill on which we are confused insofar as the well numbers and locations are concerned.

You will note that on June 1, 1962 we received a notice for the Jicarilla "H" 163 well No. 2 located 990' from the South line and 990' from the East line, Section 24-23N-2W. On December 5, 1962 we received a notice of your Jicarilla "H" 163 #3 located 1850' from the South and East lines in the same quarter-section. On July 5, 1963 we received a second notice for the Jicarilla "H" #2 correcting the location of the #2 well to 1850' from the South and East lines of Section 24, which is the identical location of the #3 well already on file.

Will you please clarify this matter for us and return the notices to this office.

Yours very truly
