Re: Forced plugging case

Dear Perry:

Please docket a case calling Bloomfield Oil and Gas Company and all other interested parties to appear and show cause why the Bergin #9 located 2430 feet from the north line and 1920 feet from the ~~South~~^{East} line of Section 21, Township 29 North, Range 11 West, San Juan County, should not be plugged in a Division approved manner.

The well was drilled in 1925 and the operator is no longer in existence.

Sincerely,

Frank T. Chavez
District Supervisor
