Dear Mr. Palmer:

Enclosed are copies of Form C-103 which you requested in order to report plugging on the Palmer Associates #1 Hutton and also upon which to report transfer to Mr. Hutton. The transfer information may be typed in the blank on the face of the form under "Detailed Account of work done and Results Obtained". Mr. Hutton should sign this transfer and his signature should be notarized.

We are also enclosing 5 copies of Form C-105 which is our Well Record form, as we notice that no well record was ever filed on this well.
