RE: W R Webb, Fee #1, D-06-30N-11W, 30-045-09996

Dear Rand:

On January 2, 1991 Charles Ghoulson found the referenced well uncapped with 5" csg at ground level. Because this well is in an area with several houses it poses a potential hazard. The Fee #1 has no record of a bond or any operator listed by W R Webb. Therefore, I request that we plug this well.

Sincerely,

Johnny Robinson  
Deputy Oil & Gas Inspector
