**Re: Unorthodox location, Delhi Taylor Well,  
SW/4 of Section 29, Township 29 North,  
Range 8 West, MBPM, San Juan County,  
New Mexico**

**Gentlemen:**

Mr. Emery Arnold, Supervisor, District III, Oil Conservation Commission, Artec, New Mexico, has forwarded to this office your request for the above unorthodox well location.

Mr. Arnold advises us that the topography will justify such a location, therefore, the Commission will have no objection to granting administrative approval of the same. However, the Special Rules and Regulations for the Basin-Dakota Gas Pool require the Commission to wait 20 days after all offset operators owning interests in the section have been notified, by registered mail, of the proposed unorthodox location.

If you will please notify all offset operators by registered mail and furnish this office with a list of these operators, we will be happy to grant the application if no objections are received within the 20-day period.

Very truly yours,
