RE: Proposed Well APDs-Wool Head Wells  
State Lands in Section 20, T-21-S, R-33-E  
Lea County, NM

Dear Mr. Kautz,

This letter is to confirm that there are no potash leases within 1 mile of Section 20 T-21-S, R-33-E. Advance Energy Partners, LLC conducted research of the public records, including the County Clerk's records of Lea County, NM, the State Land Data Portal and BLM LR 2000 Database. Based on this research, there are no active potash leases within 1 mile of the Wool Head 20 State Com 510H, the Wool Head 20 State Com 511H, the Wool Head 20 State Com 512H and the Wool Head 20 State Com 554H well locations.

Should you have any questions about this, please call me at the telephone number listed above.

Sincerely,

A handwritten signature in black ink, appearing to read "David A. Scott", written over a horizontal line.
