13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompletable horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletable in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

OXY USA Inc. respectfully requests to temporarily abandon this well. It is currently being evaluated for possible future recompletable in the Yeso. Because of the recent drop in commodity prices, but no decrease seen in well service cost, we are not able to economically recompletable these wells at this time. However, we expect commodity prices to increase, or well service prices to decrease within a year, and then plan to commence recompletable operations.
