E. This exception is requested for the following reasons: Fasken is requesting a flare permit that started April 13, 2018. Frontier shut us in and was supposed to last less than 24 hours and was brought to my attention, it flared for 48 hours. Frontier has plant maintenance that will cause us to be shut in again April 23-30, 2018 and again May 7-21, 2018, so we want to go ahead and request 90-day flare to cover all of this.
