13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Rosehill Operating Company flared 6423 mcf from the Tatanka Federal 001H well for the month of August 2018.

Flaring was due to waiting for sundry approval on a new gas line from the tank battery 11S directly to the existing approval to connect to the gas sales line.
Approval recieved and the well has been connected to the gas sales line.

This lease a royalty bearing.

14. I hereby certify that the foregoing is true and correct.
