Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The above well had last production in March 2008. It appears there may be a casing issue in the production casing. It is our intent to determine the casing issue and repair it, acidize the existing perforations, and return to production. It is our intent to have this work completed and returned to production no later than October 1, 2009.

*Well Approved to be SI until Oct. 1, 2009*

After Oct 1, 2009 the well must be online or plans to P & A must be submitted.
