Re: Non-Compliant Well Detail Letter

Dear Ms. Mull:

Enclosed please find a copy of Form 3160-4 which includes the back page per your request. Also enclosed is a complete set of logs which were run November 2006. At this time this well has not been TA'd. Our intention is to have this well plugged within approximately 60 days of approval of BLM Form 3160-5 "Notice of Intent" to P & A sundry. Copy of which is attached.

If you have any questions regarding this work, please feel free to contact me at (432) 684-9696 ext 218 or Jason Wacker, Petroleum Engineer at (432) 684-9696 ext 237.

Sincerely,
