6-1/8" Dia. core	12039	12061
------------------	-------	-------

Rec. 22', 15 MPF
Finely crystalline light to medium brown siliceous limestone, bottom 10' had 20% dark gray to brown opaque chert.

6-1/8" Dia. core	12061	12079
------------------	-------	-------

Rec. 15', 60-75 MPF
Finely crystalline tan limestone w/chert stringers.

6-1/8" Dia. core	12079	12083
------------------	-------	-------

Rec. 4', 30-50 MPF
Finely crystalline tan limestone w/brown chert stringers.

6-1/8" Dia. core	12083	12130
------------------	-------	-------

Rec. 47', 20-85 MPF, 30-40 MPF.
Finely crystalline tan to brown limestone w/stringers of brown to black opaque chert.

6-1/8" Dia. core	12130	12163
------------------	-------	-------

Rec. 33', 30-75 MPF
Top 26' finely crystalline to very finely crystalline dark gray silty siliceous limestone and dark gray opaque chert at bottom, Bottom 7' finely crystalline medium brown limestone stylolitic, scattered gray translucent chert.

6-1/8" Dia. core	12163	12169
------------------	-------	-------

Rec. 6', 40-84 MPF
Top 2' finely crystalline medium brown limestone. 4' very finely crystalline to finely crystalline gray silty siliceous limestone w/gray translucent chert nodules

6-1/8" Dia. core	12169	12204
------------------	-------	-------

Rec. 35', 45-80 MPF
25' very finely crystalline dark gray silty siliceous cherty limestone w/gray translucent chert 20-40%,

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text also mentions that proper record-keeping is essential for identifying and correcting errors in a timely manner.

2. The second part of the document focuses on the role of internal controls in preventing fraud and misstatements. It highlights that a strong internal control system is necessary to ensure that all transactions are properly authorized, recorded, and reviewed. The text also notes that internal controls should be designed to be effective and efficient, and should be regularly evaluated and updated as needed.

3. The third part of the document discusses the importance of transparency and disclosure in financial reporting. It emphasizes that providing clear and concise information about the company's financial performance and position is essential for building trust with investors and other stakeholders. The text also mentions that transparency is a key component of corporate governance and is necessary for ensuring the long-term success of the organization.

4. The fourth part of the document focuses on the role of the board of directors in overseeing the company's financial reporting process. It highlights that the board is responsible for ensuring that the financial statements are accurate and reliable, and for providing oversight and guidance to management. The text also notes that the board should be actively involved in the financial reporting process and should regularly review and discuss the company's financial performance.

5. The fifth part of the document discusses the importance of communication and collaboration between different departments in the organization. It emphasizes that effective communication is essential for ensuring that all employees are aware of the company's financial goals and objectives, and for identifying and addressing any issues or concerns that may arise. The text also mentions that collaboration is necessary for ensuring that all departments are working together to achieve the company's overall mission and vision.

6. The sixth part of the document focuses on the role of the external auditors in providing an independent and objective assessment of the company's financial statements. It highlights that external auditors are essential for ensuring the reliability and accuracy of the financial information, and for providing assurance to investors and other stakeholders. The text also notes that external auditors should be selected based on their qualifications and independence, and should be engaged to perform a thorough and comprehensive audit of the company's financial records.

7. The seventh part of the document discusses the importance of staying up-to-date on changes in accounting standards and regulations. It emphasizes that the financial reporting process is constantly evolving, and that companies must stay current on the latest developments in order to ensure compliance and accuracy. The text also mentions that companies should regularly review and update their financial reporting policies and procedures to reflect any changes in standards or regulations.

8. The eighth part of the document focuses on the role of the company's management in ensuring the integrity and reliability of the financial reporting process. It highlights that management is responsible for providing oversight and guidance to the accounting department, and for ensuring that all transactions are properly recorded and reviewed. The text also notes that management should be actively involved in the financial reporting process and should regularly review and discuss the company's financial performance.

9. The ninth part of the document discusses the importance of maintaining a strong relationship with the external auditors. It emphasizes that a good working relationship is essential for ensuring that the audit process is smooth and efficient, and for providing timely and accurate information to the auditors. The text also mentions that companies should regularly communicate with their auditors and should be open to their recommendations and suggestions for improvement.

10. The tenth part of the document focuses on the role of the company's internal audit function in providing an independent and objective assessment of the company's internal controls. It highlights that internal auditors are essential for identifying and addressing any weaknesses or deficiencies in the internal control system, and for providing assurance to management and the board of directors. The text also notes that internal auditors should be selected based on their qualifications and independence, and should be engaged to perform a thorough and comprehensive audit of the company's internal controls.

11. The eleventh part of the document discusses the importance of maintaining a strong relationship with the external auditors. It emphasizes that a good working relationship is essential for ensuring that the audit process is smooth and efficient, and for providing timely and accurate information to the auditors. The text also mentions that companies should regularly communicate with their auditors and should be open to their recommendations and suggestions for improvement.

12. The twelfth part of the document focuses on the role of the company's internal audit function in providing an independent and objective assessment of the company's internal controls. It highlights that internal auditors are essential for identifying and addressing any weaknesses or deficiencies in the internal control system, and for providing assurance to management and the board of directors. The text also notes that internal auditors should be selected based on their qualifications and independence, and should be engaged to perform a thorough and comprehensive audit of the company's internal controls.

13. The thirteenth part of the document discusses the importance of maintaining a strong relationship with the external auditors. It emphasizes that a good working relationship is essential for ensuring that the audit process is smooth and efficient, and for providing timely and accurate information to the auditors. The text also mentions that companies should regularly communicate with their auditors and should be open to their recommendations and suggestions for improvement.

14. The fourteenth part of the document focuses on the role of the company's internal audit function in providing an independent and objective assessment of the company's internal controls. It highlights that internal auditors are essential for identifying and addressing any weaknesses or deficiencies in the internal control system, and for providing assurance to management and the board of directors. The text also notes that internal auditors should be selected based on their qualifications and independence, and should be engaged to perform a thorough and comprehensive audit of the company's internal controls.

15. The fifteenth part of the document discusses the importance of maintaining a strong relationship with the external auditors. It emphasizes that a good working relationship is essential for ensuring that the audit process is smooth and efficient, and for providing timely and accurate information to the auditors. The text also mentions that companies should regularly communicate with their auditors and should be open to their recommendations and suggestions for improvement.
