Gentlemen:

Due to the recently submitted gas-oil ratio test for your Great Western "C" Federal No. 1 located in Unit M of Section 21, T-9-S, R-38-E, the well will be reclassified as a gas well in the Sawyer San Andres Pool, and the oil allowable will be cancelled that date.

Yours very truly,

Dear Sirs:
Enclosed for you are
two copies of the report

concerning

the oil and gas resources of the state of New Mexico. The report is a summary of the work done by the Commission during the past several years. It contains a list of the oil and gas fields in the state and a description of the geology of the state. It also contains a list of the oil and gas companies operating in the state and a list of the oil and gas reserves in the state.

Very truly yours,

WALTER H. HOBBS, Chairman
