Mr. J. D. Hunter,
State Oil & Gas Inspector,
Carlsbad, New Mexico.

Dear Mr. Hunter:

In accordance with your letter of August 24th, we have completed the forms reporting on the result of abandonment of the Holmes well and hand you the same herewith.

Mr. Bivins is starting work at once on dismantling the rig and moving the balance of the equipment from the location. As soon as the rig is dismantled and the equipment moved, we have a contract with Mr. Bivins to clean up and extinguish all trace of oil on the ground.

We presume that this will be satisfactory with your Department.

Yours very truly,

HERVEY, DOW, HILL & HINKLE,
