RE: CHANGE OF OPERATOR
MALJAMAR GRAYBURG UNIT #35
Unit C, Sec. 9, T17S, R32E

Gentlemen:

According to the most recent records received from the BLM the above-referenced well is not considered plugged, just TA, so therefore, you will need to file a change of operator from Chevron USA Inc. to The Wiser Oil Company.

I have enclosed a copy of the sundry report which states the BLM carries this well as TA.

Your prompt attention to filing this change of operator for this well will be appreciated.

Very truly yours,

OIL CONSERVATION DIVISION
