New Mexico Oil Conservation Commission,
Hobbs, New Mexico.

Gentlemen:

Please find attached Form C-101, "Notice of Intention to drill or Recomplete" to drill our Seaman Unit Well No. 1, 510 feet from South line and 660 feet from the East line of Section 13, Township 16 South, Range 33 East with Form C-128, Plat attached.

The original plan was to make a standard location, however, the stake came in the right of way of highway 83, and it was necessary to move the location 150 feet South.

Yours very truly,

C. C. Salter - Dist. Supt.
